

Задание для 3 группы по английскому языку на 6 мая Уважаемые студенты! Попробуйте перевести данный текст на русский язык и вы узнаете. Какую роль в жизни человека играют иностранные языки. It is necessary to learn foreign languages. Visiting countries, you can see a lot of advertisements, signboards, names in the streets. They are in foreign languages. Very often they are in English. Knowing English, you can read and understand them There are a lot of films in foreign languages. If you know them, you can understand films without any help. There are international friendship camps in the world. If you can speak English, it will be easy to you to speak with boys and girls who do not know Russian. And if you want to become a good and qualified specialist, you will have to read a lot of special literature. And it would be much more efficient to read this literature in English than to waste your time searching for the translation.
